

Alpha1Media launches A1Film Preview 2024

London, UK (11 January 2024): Global media and entertainment firm Alpha1Media on January 11 launched its acclaimed annual list of the top most anticipated films from around the world which cinema audiences can look forward to watching in 2024, with Hollywood and other film centres moving to stabilise its cinema strategy after industry disruptions in 2023.

ALPHA1MEDIA™ A1FILM PREVIEW 2024

The 13th edition of the A1Film Top Movies Preview for 2024 highlights 10 essential films, and in total 82 interesting films from primarily Hollywood, but also from around the world, which global cinema audiences can look forward to this year.

“[2023 was projected to be ‘The Year of Cinematic Inflection’](#) as global popular cinema in 2023 witnessed an inflection in the diversification and expansion of content and genres for cinema,” said [Talal Malik](#), Alpha1Media Founder and Film Writer-Producer. “It was a rebalancing

between innovative, original auteur-led content and superhero blockbusters, as even [A1Film Top 10 2023](#) expanded to 17 films, with a mixture of studio-produced films and those produced by new production entities such as [Apple](#); while Hollywood, in the [the centennial anniversary of the iconic Hollywood sign](#), faced a year of inflection, with the confluence of the challenges of diversification of movies at the box office, the uber-challenge of A.I. and the impact on people and talent, with union strikes for months for both writers and actors.”

“That proved to be true, with Hollywood auteurs [Christopher Nolan](#) making a billion dollars with [‘Oppenheimer’](#), joint No. 2 on [the A1Film Top 10 Films 2023](#) with [Martin Scorsese](#)’s first-time pairing [Robert De Niro](#) and [Leonardo DiCaprio](#) in [‘Flowers of the Killer Moon’](#), but as an inflection, being trumped as a truly spectacular cinematic movie not just by a superhero but, for the first time, an animated one by [‘Spider-Man: Across the Spider-Verse’](#), becoming the No. 1 on [the A1Film Top 10 Films 2023](#) and the [A1Film Best Picture Winner 2023.](#)”

Global box offices revenues are estimated to have shot up by 30.5% to [\\$33.9 billion in 2023 compared 2022](#), but are estimated to fall in 2024 to \$31.5 billion, and far from pre-pandemic revenues in 2019 at \$42.3 billion.

“However, 2024, as a result of 2023’s union strikes in Hollywood by actors and directors, the disruptions for A.I. and the continued challenges of streaming versus cinematic films, leadership disruptions at major studios, and the under-performance of superhero blockbusters, looks to be potentially a ‘A Year of Cinematic Industry Reconstitution’, as the industry reconstitutes itself after 2023’s disruptions, and prepare to move gears in 2025 and beyond, while still delivering top blockbusters, the first four major director sequels, across the year: [Denis Villeneuve](#) much-delayed sequel to [‘Dune’](#), the No. 2 on the [A1Film Top 10 Movies 2021](#), [‘Dune: Part Two’](#), finally releasing; [Todd Phillips](#) directing [Joaquin Phoenix](#) and [Lady Gaga](#) in the sequel to [‘Joker’](#), the No. 2 film on the [A1Film Top 10 Movies 2019](#), [‘Joker: Folie à Deux’](#); [George Miller](#)’s prequel to [‘Max Max: Fury Road’](#), No. 2 on [A1Film Top 10 Movies 2015](#), [‘Furiosa: A Mad Max Saga’](#); [Ridley’s Scott](#)’s sequel to [‘Gladiator’](#) with [Denzel Washington](#), [‘Gladiator 2’](#), [Bong Joon Ho](#)’s first English movie after [‘Parasite’](#), No 4 on the [A1Film Top 10 Movies 2019](#) and the [A1Film Awards 2019](#) Best Foreign Film, with [Robert Pattinson](#), [‘Mickey 17’](#); [Jon Watts](#), who directed [‘Spider-Man: No Way Home’](#), No. 1 on the [A1Film Top 10 Movies 2021](#) and the [A1Film Awards 2021](#) Best Picture, teams up [Brad Pitt](#) and [George Clooney](#)’s [‘Wolfs’](#); [Barry Levinson](#), [Nicholas Pillegi](#), the co-writer of [‘Goodfellas’](#), and [Robert De Niro](#), who last appeared in [‘Killers of the Flower Moon’](#), No. 2 on the [A1Film Top 10 Movies 2019](#), [‘Alto Knights’](#); [Taylor Hackford](#)’s first time since [‘The Devil’s Advocate’](#) directing [Al Pacino](#), who was in [‘The Irishman’](#), No. 3 on the [A1Film Top 10 Movies 2019](#) and first teams up with [Morgan Freeman](#) in [‘Sniff’](#); Sony Spider-Man universe, which produced [‘Spider-Man: Across the Spider-Verse’](#), the No. 1 on [the A1Film Top 10 Films 2023](#) and the [A1Film Best Picture Winner 2023](#), makes the triple movies of [‘Madame Web’](#), [‘Kraven the Hunter’](#) and [‘Untitled Venom Sequel’](#) and cinematic [Sylvester Stallone](#), who starred in the No. 1 film on the [A1Film Top 10 Movies 2015](#) with [‘Creed’](#) in [‘Armored’](#).

“For 13 years, AlphaMedia has aimed to ensure the global cinema industry and audience alike have a single list of movies they can check for the global popular movies they may want to see

throughout the year, and the A1Film Preview 2024 with 82 films,” said Ms. Maria Felce, Head of Media & Talent at Alpha1Media.

“While there are blockbuster sequels leading the way, as usual, there are more auteur films, as well as the first time inclusion of animated films and a greater focus on South Korea in World Cinema, with Bollywood and China films not as ubiquitous as in recent year.”

Alpha1Media’s work to promote industry colleagues in global popular cinema over the past decade with the A1Film Awards helped to influence the [Academy of Motion Picture Arts and Sciences](#) (AMPAS) in Hollywood, USA, responsible for the the prestigious [Oscars](#), to announce a new category on August 8, 2018, titled Academy Award for Outstanding Achievement in Popular Film (or the Academy Award for Best Popular Film) but the awarding of it has been postponed until further notice.
